CABLE ADVISORY COMMITTEE

January 11, 2023 | 6:00 PM
MEETING MINUTES

Members Jack Moran and Sierra Gallagher present.
Also present is Cable Access Coordinator Tim Labonte.
Member Cole Young was not present due to personal conflict.

Meeting was called to order by Mr. Moran at 6:05 PM.

Approved Minutes from November 7, 2022.

Reviewed correspondence from Cox Communications which identified 27 residents that they service in the town of Millville who do not have the option to be serviced by Charter. Cox has no objection to Charter taking over these residents as they normally do not provide services to Massachusetts.

Charter has submitted price updates; however, they have not provided any of the documentation we have requested: draft of a contract (we drafted our own), map of which residents are serviced in the town, performance reviews, cost per home to improve services, etc.

Next meeting will be scheduled when we receive new information on progress with Charter.

Meeting was called to adjourn at 6:25 PM.

Respectfully submitted,

Sierra Gallagher
