

• Town of Millville, MA •  
CABLE ADVISORY COMMITTEE

July 27, 2022 | 7:00 PM  
MEETING MINUTES

Members Jack Moran and Sierra Gallagher present.  
Also present is Cable Advisory Coordinator Tim Labonte.  
Member Cole Young was not present due to personal conflict.

Meeting was called to order by Mr. Moran at 7:16 PM.

Approved of Minutes from April 21, 2022, and July 20, 2022.

Verizon has plans to bring fibers through Millville for Internet services within the next 3 years for the whole town. Official town government contact for Verizon is Ellen Cummings ([ellen.m.cummings@verizon.com](mailto:ellen.m.cummings@verizon.com)). According to a conversation Mr. Moran had with Niall Connors from Verizon due to Ellen being out of the office, the town of Millville will be 100% fiber for Data and Voice in the next 2-3 years. This will not require a contract with Verizon. This will allow competition in the town for telephone and internet services, but not for cable.

Reviewed and edited draft of new Cable Charter Agreement with Spectrum. Need questions answered and have lawyer review.

Per the existing contract, Spectrum should be able to provide us with a map of which residents have service available in Town.

Next Meeting: August 3, 2022, 6 PM at Millville Town Hall.  
Will also request town council attended from 6-7PM to assist with legal jargon.

Will send meeting invite to Mr. Mahar for 7 PM. Offer for him to forward the invite to someone who can speak better to the technical side of things. This meeting may need to be rescheduled due to the number of unresolved issues with the contract.

Meeting was called to adjourn at 8:49 PM.

Respectfully submitted,

Sierra Gallagher
