

• Town of Millville, MA •
CABLE ADVISORY COMMITTEE

November 7, 2022 | 7:00 PM
MEETING MINUTES

Members Jack Moran and Sierra Gallagher present.
Also present is Cable Advisory Coordinator Tim Labonte.
Member Cole Young was not present due to personal conflict.

Meeting was called to order by Mr. Moran at 7:00 PM.

Approved of Minutes from October 5, 2022.

There has been no valuable communication with Spectrum regarding the contract even though Mr. Moran has reached out a number of times. We did review feedback from Peter Caruso on the draft of the contract with Charter and the Town of Millville. There is one section that Jack Moran will review again with Peter Caruso for clarification.

Still never received a response from Charter lawyers about a contract extension.

Verizon Fios is still moving forward bringing phone, internet and data, however, they are not able to entertain anything official or discuss a contract at this time. Our understanding is that this opportunity will become available in roughly three years. There is no agreement between Verizon Fios and the Town of Millville. It is up to Verizon when they will make services available to residents and residents can check the Verizon website to sign up for notification on when services will be available at their home.

Next Meeting is proposed for the week of November 28th.

Meeting was called to adjourn at 7:52 PM.

Respectfully submitted,

Sierra Gallagher
